Dear Mr. Branon

I wanted to thank you and the rest of the Board of Directors for selecting me for the J. Edgar Hoover Scientific Scholarship. Admittedly, I was completely shock and nearly speechless when I received the news. I am very honored to receive this award. I also wanted to thank you for traveling up to Michigan to personally present me with the award.

I have already been able to purchase a few necessities for the lab using the funds. The rest of the funds will greatly help to offset my living expenses while finishing my degree and looking for a job. I also hope to enroll in some short courses at conferences to expand my experience and training.

Please extend my sincerest thanks to the Board of Directors. I hope to make the J. Edgar Hoover Foundation proud.

Sincerely,

John W. McIlroy
